

Parenting a teen can be challenging...

Teen Speak

Teen Speak teaches the skills necessary to open the lines of communication between parents/caregivers and their children, focusing on topics such as sex, mental health, and substance use.

Learn how to create a healthy, loving environment that fosters growth to help your teen make safer, more informed decisions as they continue into adulthood.

**This program is designed for parents,
caregivers, and guardians**

**ALL PARTICIPANTS WILL RECEIVE A
\$50 GIFT CARD FOR COMPLETING
ALL THREE SESSIONS**
